HEALTH AND SAFETY

Carnival Committee is committed to the safe delivery of Petticoat Lane for the hundreds of members of the public who attend, for all Stall Holders Entrants, and for everyone else impacted by the Event.

Covid-19

We really hope that Covid-19 restrictions will have been lifted in time for Petticoat Lane. Once the government confirm that Carnival can take place (Step 4 of the Roadmap, provisionally on 21st June), we will assess any ongoing control measures and restrictions, and liaise with Wiltshire Council to ensure that Carnival could be safely delivered. The safety of the public, crew, artists, performers and stallholders is of paramount importance. We would then advise all Entrants of the impact of this.
