Please note the “Family” aspect!

Please start showing your scarecrow no later than the evening of Friday 9th August. Your scarecrow will need to be in position from the 10th – 18th August inclusive, so will need to be able to withstand the vagaries of the weather at that time of year! Please keep an eye on it and make any necessary repairs!

Please post a picture of your scarecrow to Malmesbury Carnival Facebook page as soon as it is in position!

There will be a prize for the most popular scarecrow!
